Citizen Science

TWO WAYS TO PLAY
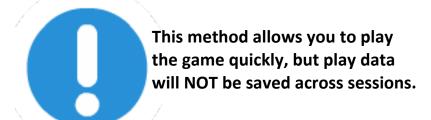

1. Start playing in under a minute!

1. Navigate to one of the following websites:

   citizenscience.gameslearningsociety.org

   gameslearningsociety.org/games.php

   www.brainpop.com/games/citizenscience

2. Click **PLAY GAME** or **PLAY NOW**, and Citizen Science will begin loading.

3. The error message **LOST CONNECTION** will appear on the screen. This message means that game-play will not be saved. Click **CONTINUE**, and the game will load normally.

4. Click **NEW GAME** to begin playing Citizen Science.

This method allows you to play the game quickly, but play data will NOT be saved across sessions.

2. Save your game across more than one session!

1. To save play data across sessions, navigate to citizenscience.gameslearningsociety.org

2. Click **CREATE NEW ACCOUNT** under the User Login bar.

3. Enter a **USERNAME** and **PASSWORD** for the account, then retype the password into the **CONFIRM PASSWORD** bar. Be sure to record account information in a secure place.

4. Enter a valid e-mail address. An e-mail address is not required, but it is necessary to recover lost account information. If a valid e-mail address is not available, enter **TEST@TEST** in the **E-MAIL ADDRESS** bar.

5. Click **CREATE NEW ACCOUNT**, and the website will return to the Home page.

6. Click **PLAY GAME**, and Citizen Science will begin loading.

7. Click **NEW GAME** to begin playing Citizen Science.

   To return to your saved game:

1. Enter your **USERNAME** and **PASSWORD** into the User Login bar, then click **LOGIN.**

2. Click **PLAY GAME**, and Citizen Science will begin loading.
